

Faith in Portugal

Marcos & Miriam Pego

Portugal

We received a group of 11 American university students from Miami, Ohio, with whom we went to the universities of Porto, Braga and Coimbra to talk about Jesus and share our personal experience with God. It is impressive to see the face of the majority of the university students when we say that it is possible for them to have a personal relationship with God! Most of them didn't even know that existed! In two weeks, 4 students accepted Christ as their Lord and Saviour and many others were touched by what we told them and interested in knowing more about God, Jesus and/or the Bible.
